

FIERCE

MEDICAL SOLUTIONS

Fierce Platinum Core Plan

What is Fierce Medical Solutions?

Fierce Medical Solutions was designed to make healthcare simple, affordable, and accessible for everyone. Our mission is to provide meaningful benefits without the complexity or high costs of traditional insurance. With Fierce Medical Solutions, members enjoy access to high-quality care at a fraction of the cost of traditional insurance through a membership-based model that offers both in-office and virtual care options. We offer 24/7 virtual urgent care, convenient in-office visits, and a comprehensive formulary of medications with free home delivery.

What is the Fierce Platinum Core Plan?

Comprehensive coverage options and tailored solutions featuring both in-office and virtual care benefits. Distributed through general agencies and brokers, the Fierce Platinum Plan is designed to meet the diverse healthcare needs of individuals and families.

Services We Offer:

27,000+ FREE Medications

Emergency Care:

Time-sensitive, non-emergent care from top-tier physicians, available 24/7/365 by video or phone. Virtual prescriptions and follow-up tools included.

Urgent Care:

Low Co-pay at your local Urgent Care facilities. Search for participating facilities at www.multiplan.com/sbmaspecificservices.

Wellness & Preventative Care:

100% coverage for ACA-required preventive services, including immunizations, screenings, and wellness visits

Primary Virtual Care:

Get a dedicated Primary Care Physician (PCP), annual wellness and preventive care, and integrated programs like medical weight loss, counseling, chronic disease management, and access to specialists - all coordinated in one place.

Nationwide PPO Network:

For in-office visits, search for your doctor or find a new PCP, lab or other healthcare provider in our nationwide PPO network.

Chronic Disease Management:

Our physician-directed Chronic Disease Management program, enhanced with Remote Patient Monitoring (RPM) keeps patients connected and supported. Real-time tracking enables early intervention and proactive care adjustments which can prevent escalated complications, leading to better outcomes and lower costs.

Expert Opinions:

Expert Medical Opinion links you with leading specialists who review your records and imaging, providing a clear report with answers, diagnoses, and treatment guidance.

Weight Loss Management:

Clinically guided weight loss made for real life. Get physician-directed care, simple digital tools, reminders, and medication support when needed - all to help you stay motivated, build lasting habits, and see real, sustainable results.

Men's Health:

Focused care for men's health - from prevention and treatment to support for sexual health, hair loss, weight, and wellness - convenient and confidential.

Women's Health:

Convenient, discreet care for every stage of womanhood - from menstrual health and birth control to fertility, and menopause - personalized to you.

Specialty Care:

You don't have to manage complex conditions alone. Our integrated Specialty Care program connects you with leading specialists and a dedicated care team that works together on your behalf. Access expert medical opinions and specialized care via telemedicine (subject to location and regional restrictions). Get answers, guidance, and ongoing support - all without leaving home.

Not insurance. Fierce Medical Solutions is a consumer health benefit program. Gold & Platinum plans meet ACA MEC requirements.

Not a medical provider. Services are delivered by independent, licensed clinicians/medical groups.

Fierce Medical Solutions Core Plans DO NOT cover emergency room services, hospitalization, or surgeries.

Prescriptions not guaranteed. Availability may vary; some medications/services may be restricted.

Not for emergencies. In an emergency, call 911 or go to the nearest emergency department.

Separate charges may apply. Labs, imaging, or external referrals may involve separate charges.

Availability varies. Features, partner networks, & shipping vary by state and are subject to change.

Privacy & data: Telehealth & pharmacy partners maintain their own compliance & privacy programs.

Eligibility: Primary member must be 18+; adding dependents subject to plan rules.
